- 1. Can you please clarify the degree of, severity, and possible causes of the campers' behavioral issues as described in the RFQ. We ask so as to determine the level of staff training and background prior to submitting for approval.**

The camp must determine on its own whether the child's behavioral issues are something that fits within its staff structure. The camp must not admit campers that the staff is not trained to manage and allow the camper to enjoy the experience.

- 2. Is the Business Registration Certificate (BRC) required for Non-Profits?**

No, non-profits are not required to submit a BRC prior to contract award. Section 3.05 of the Standard Language Document (page 4) is revised as follows:

Section 3.05 Business Registration Certification.

Except for governmental agencies and non-profit organizations, the Provider Agency and its named subcontractors must have a valid Business Registration Certificate (BRC) issued by the Department of Treasury, Division of Revenue prior to the award of a contract in accordance with N.J.S.A. 52:32-44(b). To facilitate the proposal evaluation and contract award process, a Provider Agency is encouraged to submit a copy of its valid BRC and those of any named subcontractors with its proposal.
